Foss Lifetime Limited Fade & Wear Warranty

Foss PET fiber, made from 100-percent post-consumer plastic drinking bottles, is a denser polymer fiber that prevents stains from setting and is resilient to traffic pattern wear. Colors are solution-dyed throughout the entire fiber for extremely vibrant colors and enduring fade resistance during the duration of the installation by the original owner..

Foss Manufacturing Company, LLC warrants that when our Indoor/Outdoor carpets are properly installed, they will not wear more than 10-percent due to fiber loss under normal use or exhibit ultra violet degradation of the fibers (also referred to as fade) to the carpet as a result of sunlight exposure during the duration of the warranty period.

Foss will replace the affected carpet with a new or equivalent quality carpet at no cost to the original purchaser or user.

Foss Lifetime Limited Stain & Soil Warranty

Foss Floors warrants that our carpet will resist stains from most household food and beverages, and non-food stains such as pet stains. Stain resistant properties may be affected by exposure to very hot substances and this limited warranty excludes any stains that may occur under this condition. Caustic chemicals such as strong acids are excluded from this warranty.

Any carpet may change color due to dry soil accumulation caused by foot traffic. Foss warrants our Indoor/Outdoor carpets will not have "noticeable color change" (as defined below) due to dry soil deposits as a result of foot traffic from normal, indoor and outdoor owner-occupied residential use and permanent noticeable color change that cannot be removed using Foss recommended carpet F

Noticeable color change is defined as change greater than 3 using standardized rating scales (Grey Scales- AAT CC Evaluation Procedure 1 or equivalent in the U.S. or via Test method 121 in Canada).

Following the Foss carpet care and cleaning procedures is essential to minimize staining and dry soil color change. Foss Floors will replace the affected carpet with a new or equivalent quality carpet at no cost to the original purchaser or user.
