

## COMPREHENSIVE RESIDENTIAL WARRANTY PROGRAM

---

This document details of coverage and limitations for the following warranties for flooring planks and tiles:

- Lifetime Limited Residential Wear Warranty
- Lifetime Limited Structure Warranty
- Lifetime Limited Waterproof Warranty
- Lifetime Limited Petproof Warranty

These Limited Warranties are provided by Shaw Industries, Inc. (Shaw) and begins when the flooring is purchased. USFloors /is a selling brand of Shaw Industries, Inc.

### LIFETIME LIMITED RESIDENTIAL WEAR WARRANTY

The vinyl layer of the floor plank is warranted by Shaw not to wear through under normal use for the life of the product. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating care systems. If 100% vinyl layer wear-through is determined to have occurred, Shaw will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms of Lifetime Limited Warranties". This warranty is non-transferable and applies only to the original purchaser.

### LIFETIME LIMITED STRUCTURE WARRANTY

The floor plank and/or tile is warranted to be free from manufacturing or material defects for the life of the product. Should a defect occur, Shaw will arrange a credit based on the original purchase of the product. Should a problem attributable as a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by this warranty. This warranty is not transferable by the purchaser of the floor.

**Lifetime Limited Structure Warranty Coverage:** Upon determination of a valid manufacturing defect, credit will be issued to the dealer and will be good toward the purchase of a replacement. When a defective product is installed, credit applies to material only and does not include labor since it is the responsibility of the installer to determine suitability of material prior to installation. Should a problem attributable to a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by the Lifetime Limited Structure Warranty.

### THE LIMITED LIFETIME RESIDENTIAL WEAR AND LIFETIME LIMITED STRUCTURE WARRANTY DO NOT COVER:

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests, such as chair pads, etc., rolling and/or non-foot traffic, or any intentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw.
2. It is normal and expected for there to be color variations due to use of natural components, exposure to UV light and/or sunlight, and age of material. Therefore, color inconsistency between samples, replacement product or illustrations and actual product is not a manufacturing flaw.
3. Manufacturer makes no guarantee that Shaw's products will match or coordinate with customer furnishings, trim, cabinetry, railings, etc.
4. Noncompliance with installation instructions and maintenance guidelines as recommended by Shaw. Manufacturer cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation as manufacturer has no control over the installer's proper application. Should an individual piece be doubtful as to appearance or dimension the installer should not use this piece.
5. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as roller skates, golf shoes or pets.
6. Floor covering installed in inappropriate locations is excluded from this warranty.
7. Gloss reduction or surface scratches are not considered surface wear. Dull finish can be corrected with spot or overall recoating care systems.

8. Damage to flooring resulting from exposure to temperatures outside the specified ranges outlined in the published installation guidelines.

**LIFETIME LIMITED WATERPROOF WARRANTY**

Shaw warrants that for the stated warranty period from the date of original purchase, your Shaw product will not swell, cup, or crack due to:

- Normal cleaning practices (see Care and Maintenance document for additional information)
- Moisture due to everyday household spills (see Care and Maintenance document for additional information)
- Moisture from subfloor when exposed to such conditions.

All sources of subfloor moisture should be remedied prior to installation. This warranty covers topical moisture as long as the water does not flow over the edge of the surface (edge of the room, cut boards, etc.)

While moisture will not affect the product's integrity, it is possible that, when excessive moisture accumulates in buildings, subfloors, or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed).

**LIFETIME LIMITED PETPROOF WARRANTY**

Shaw warrants that your luxury vinyl floor will resist staining caused by pet (domestic cat or dog) stains, including urine, feces, and vomit. Stain resistance means the ability of your floor to resist (i.e., minimize or withstand) permanent stains for as long as you own your floor.

Cleaning of the affected area should begin immediately upon discovery. The more time that elapses before removal, the more difficult a stain will be to remove.

**THE LIMITED PETPROOF WARRANTY DOES NOT COVER:**

- Any urine, feces, or vomit stains other than pet.

**THESE LIMITED WARRANTIES ARE SUBJECT TO THE FOLLOWING CONDITIONS:**

1. The floor must be installed properly and according to Shaw's' installation instructions
2. The flooring must be used only indoors in a climate controlled area.
  - This product is warranted for installation into environments (such as "three season rooms and dwellings") that experience extended periods where the ambient environment is either not controlled or minimally controlled allowing seasonal fluctuations in temperature and relative humidity. That said, for such installations, the product must be acclimated and installed into a controlled environment where temperatures are kept between 55°F degrees and 85°F degrees for a period of 72 hours prior to, during and 72 hours after installation. Failure to comply with these installation parameters will disallow warranty coverage.
3. The flooring must be maintained in accordance with Shaw's maintenance instructions.
4. This limited warranty does not apply to Shaw's moldings and trims.
5. Installation of flooring that contains any manufacturing defect is not covered by this limited wear warranty.
